Graduate Student Resources

Useful UW Resources

UW Career Center

The UW Career Center is a great resource for graduate students. They offer everything from workshops on CVs and cover letters to professionally appointed private rooms for Skype interviews. Two collections of resources are particularly useful for graduate students:

- Academic Careers -- A wealth of handouts and information on academic careers
- Beyond Academia -- Handouts and information about making the transition to a non-academic or alt-ac career

The Graduate School

The Graduate School
MyGrad (Student View) - Graduate School portal used to request academic leave, schedule a doctoral general or final exam, submit a Master's degree request, and other actions throughout graduate school
Important Dates & Deadlines for Graduate Students - This page provides all dates and deadlines for the current academic year
Grading System for Graduate Students
Final Submission of Your Dissertation

Research, Funding, and Professional Development

Individual Development Plan
Simpson Center for Humanities - great source for fellowships and cross-disciplinary collaboration!
Graduate Funding Information Service (GFIS)
Subscribe to the GFIS Wordpress Blog to get email updates about graduate funding opportunities
