Programs & Courses

Students in our programs study the languages and cultures of Russia, Central and Eastern Europe, and the former Soviet Union in a global context. They develop an exceptional understanding of a complex region recognized for its international influence.

Undergraduate Programs

All about our BA and minor programs in Russian and Eastern European languages, literatures and cultures.

Graduate Programs

Requirements, applications, and support opportunities for our MA and PhD programs in Russian and East European languages, literatures and cultures.

Courses

Course offerings at all levels in language, literature and culture, linguistics and language pedagogy. Upcoming offerings are listed under Courses. All potential offerings are described in the Course Catalog.

Examinations and Tests

Credit by exam, proficiency and placement tests for Russian and some East European languages.

Summer Language Intensives

Intensive nine-week courses offering a complete year of language credits in a single summer.
