SLAVIC 351 & 551

SPRING 2015

Learn about the history of Slavic languages from Indo-European to the present time, including the development of writing systems and national languages. Discover the fascinating principles of historical linguistics: sound change, analogy, semantic change, as well as the relevance of historical linguistics: how linguistic evidence furthers our knowledge of human cognitive development, the culture of our ancestors, etc.

PROFESSOR KATARZYNA DZIWIWIREK

T, TH 12:30—2:20
